Analytical Chemistry  
Russian Academy of Sciences, Moscow, Russia  
and  
Ukrainian Research and Design Institute for  
Mining Geology, Rock Mechanics and  
Surveying, Donetsk, Ukraine*

*International conference  
Geochemistry of magmatic rocks. School  
«Geochemistry of Alkaline rocks»  
9-16 September 2010*

Dear colleagues! We invite you to attend International conference «Geochemistry of magmatic rocks» as a part of the school «Geochemistry of Alkaline rocks» The conference will cover broad aspects of geochemistry, petrology, mineralogy and ore potential of magmatic rocks, mostly alkaline and carbonatitic rocks. The conference will be held on English and Russian languages.

The main sections of seminar are:

- 1) The alkaline magmatism of different geodynamic setting
- 2) Geochemistry, petrology and ore potential of alkaline rocks.
- 3) Genesis and ore potential of carbonatites and kimberlites.
- 4) Mineralogy of alkaline rocks
- 5) Phase equilibriums in the magmatic systems (the experimental data)

The abstracts will be published in a book and on the web-site of conference

<http://alkaline2010.web.ru/>. The abstract submission deadline is extended up to 20/05/2010. Please send abstracts as RTF file (strictly following the guidelines) to Alkaline2010@gmail.com

Guidelines for abstract format is published on the conference web-site <http://alkaline2010.web.ru/>.

**Organizing committee will confirm the submission of abstracts and publish them on the conference web-site.**

Scientific sessions will be held at Vernadsky Institute of Geochemistry and Analytical Chemistry in Moscow September, 9 and in the Kara-Dag National park and pensionate Krymskoe Primorie in the Crimean Peninsula, Ukraine 12-16 September 2010.

Please contact with organisation committee for hotel booking.

We are planning excursions to paleovolcanic complex Kara-Dag. Cost of excursion is about 10-20 \$. You can find detailed information about the excursion on the website of conference. The information about excursions dates and costs will be published after registration and will be based on amount of participants.

**Registration form**  
Please sent with abstracts

Full name_____
Date of birth _____
Title_____
Country_____
E-mail_____
Contact phone_____
Title of presentation_____
Preferred form of presentation_____
<b>(oral or poster)</b>
Preferred place of presentation_____
<b>(Moscow or Crimea)</b>
<b>Participation in excursions:</b>
Would you like to participate in geologic excursion to Kara-Dag? _____
<b>(Yes/No)</b>
Would you prefer to participate in the excursion before or after the conference? _____
